Civil Action No. 1:07-cv-00683-RC

PLAINTIFF'S AMENDED EXPERT DISCLOSURES AND DESIGNATION
PURSUANT TO FEDERAL RULES OF CIVIL PROCEDURE 26

TO THE HONORABLE JUDGE OF SAID COURT:

Plaintiff Charles McGuire, by and through the undersigned counsel, and in accordance with the Federal Rules of Civil Procedure Rule 26(a)(2), files this his Amended Expert Disclosure:

1. Retained Experts

- A. Mr. Douglas Carmody
Professional pilot
39 Airport Circle
Beaufort, South Carolina, 29907
843 521-9412
(CV and expert report attached).

Mr. Douglas Carmody is a professional pilot and flight instructor with multiple licenses and over 20,000 hours of flight time. Mr. Carmody will testify on issues pertaining to the crash that occurred on August 5, 2006, the cause of the crash, who is responsible for the crash and any and all matters relating to these subjects. He will also testify as to issues such as who was pilot in command, negligent instructional supervision, inadequate training of flight instructors, negligent hiring of flight instructors, operational control of the flight instruction given to Plaintiff, and non-delegable duties regarding aviation safety. In addition he will testify as to all matters contained in his reported and deposition, if any, which is incorporated herein for all purposes.

- B. Thomas D. Thunder
Audiologist and Acoustical Engineer
1275 W. Northwest Highway

PLAINTIFF'S AMENDED EXPERT DISCLOSURES AND DESIGNATION
PURSUANT TO FEDERAL RULES OF CIVIL PROCEDURE 26

TO THE HONORABLE JUDGE OF SAID COURT:

Plaintiff Charles McGuire, by and through the undersigned counsel, and in accordance with the Federal Rules of Civil Procedure Rule 26(a)(2), files this his Amended Expert Disclosure:

1. Retained Experts

- A. Mr. Douglas Carmody
Professional pilot
39 Airport Circle
Beaufort, South Carolina, 29907
843 521-9412
(CV and expert report attached).

Mr. Douglas Carmody is a professional pilot and flight instructor with multiple licenses and over 20,000 hours of flight time. Mr. Carmody will testify on issues pertaining to the crash that occurred on August 5, 2006, the cause of the crash, who is responsible for the crash and any and all matters relating to these subjects. He will also testify as to issues such as who was pilot in command, negligent instructional supervision, inadequate training of flight instructors, negligent hiring of flight instructors, operational control of the flight instruction given to Plaintiff, and non-delegable duties regarding aviation safety. In addition he will testify as to all matters contained in his reported and deposition, if any, which is incorporated herein for all purposes.

- B. Thomas D. Thunder
Audiologist and Acoustical Engineer
1275 W. Northwest Highway

Palatine, Illinois 60067
847 359 1068 Phone
847 359 1207 Fax
(CV and expert report attached).

Mr. . Thomas Thunder is a forensic audiologist and acoustical engineer. He will give his opinion on the Cirrus SR-22 stall warning system and the interplay between the Bose headset and the Garmin system. He will also give his opinion on how the stall warning system in place at the time of the crash contributed as a proximate and/or producing cause of such a crash. He will also give his opinion on the acoustic interplay and deficiency between the stall warning system, the aircraft cabin acoustics, and an older pilot with age-related high frequency hearing loss. In addition he will testify as to all matters contained in his reported (and deposition, if any) which is incorporated herein for all purposes.

C. Craig Lichtblau, MD
Physicist; Physical Medicine and Rehabilitation
550 Northlake Blvd
North Palm Beach, FL 33408
561-842-3694 Phone
561-842-3774 Fax
(CV and expert report attached).

Dr. Craig Lichtblau is a board certified physical medicine and rehabilitation specialist. Dr. Lichtblau will testify regarding his comprehensive medical evaluation of Mr. Charles McGuire, his medical functional capacity assessment of Mr. Charles McGuire, the AMA Impairment Rating of Mr. Charles McGuire, and his functional assessment and continuation of care for Mr. Charles McGuire. Dr. Lichtblau will also testify on issues pertaining to the past and future medical care and costs, and loss of wage earning capacity for Charles McGuire, and any and all matters relating to these subjects. In addition he will testify as to all matters contained in his reported (and deposition), if any, which is incorporated herein for all purposes.

D. Adrienne Bond, JD
Corporate Attorney
5505 Jackson Street
Houston, Texas 77004
713.524.4200 Phone
713.524.1196 Fax
(CV and expert report attached).

Ms. Adrienne Bond is a private practice attorney specializing in corporate and partnership law, business organizations, and merger and acquisition transactions. She has taught law courses at both the university and State Bar levels. Ms. Bond will testify on issues pertaining to the structure and relationship between the corporate defendants Cirrus Design and University of North Dakota Aerospace Foundation, and which entities

therefore share responsibility for the acts and omissions in the matter at hand, which entities are vicariously liable for the resulting crash and injuries, and which entities have direct liability for the incident in question, and any and all matters relating to these subjects. In addition she will testify as to all matters contained in her reported (and deposition, if any), which is incorporated herein for all purposes.

- E. Kenneth McCain, PhD
Economist and Certified Financial Analyst
7670 Woodway, Suite 171
Houston, Texas 77063
713 626-0144 office
713 334-7307 fax
(CV and expert report attached).

Dr. Kenneth McCain is an economist and CFA. McCain will testify on issues pertaining to the loss of wage earning capacity and future medical expenses of Charles McGuire, and any and all matters relating to these subjects. In addition he will testify as to all matters contained in his reported (and deposition), if any, which is incorporated herein for all purposes.

- F. Stan Smith, PhD
Economist
1165 N. Clark Street, suite 600
Chicago, Illinois 60610
312 943 1551 Phone
312 943 1016 Fax
(CV and expert report attached).

Dr. Stan Smith is an economist specializing in scientifically based calculations of life value. Dr. Smith will testify on issues of life value and specifically how that value is more than simply lost earnings capacity. Dr. Smith also will testify on issues pertaining to the monetary value of the reduction in value of life for Charles McGuire subsequent to the injuries he received on August 5, 2006, and any and all matters relating to these subjects. In addition he will testify as to all matters contained in his reported (and deposition), if any, which is incorporated herein for all purposes.

II. MEDICAL PROVIDERS

Dr. Mark R. Brinker
Fondren Orthopedic Group
7401 Main Street
Houston, Texas 77030
713 799 2300 Phone

Dr. Brinker is a treating physician of Charles McGuire and may testify about medical treatment, diagnosis, prognosis, and billing and the reasonableness of past and future

medical expenses incurred. His office staff of medical care providers, employees, and records custodians may also testify as needed.

III. OTHERS

Mr. Jack E. McGehee
Mr. H. C. Chang
1250 Wood Branch Park Dr., Suite 625
Houston, Texas 77079
713 864 4000

Mr. Frederick McGuire
Mr. Mark A. Gray
Law Office of Frederick L. McGuire
730 N. Post Oak Road, suite 201
Houston, Texas 77024
713 956 9646

Mr. McGehee, Mr. Chang, Mr. McGuire, and Mr. Gray may testify on issues pertaining to the reasonableness and necessity of attorney's fees to the extent that the Plaintiff or any party seeks the recovery of attorney's fees. Mr. McGehee, Mr. Chang, and Mr.

McGuire will base their testimony on such factors as (1) the time and labor required; (2) the novelty and difficulty of the issues; (3) the required skill to perform the legal services properly; (4) whether other employment was precluded; (5) the customary fee in the locality for similar legal services; (6) whether the fee is fixed or contingent; (7) the time limitations imposed by the client or by the circumstances; (8) the amount involved and the results obtained; (9) the attorneys' experience, reputation and ability; (10) the "undesirability" of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases. The curriculum vitae of Mr. McGehee, Mr. Chang, and Mr. McGuire are attached.

Mr. Frederick McGuire as a pilot and flight instructor with multiple licenses and multiple hours of flight time, will also testify regarding the subject matter within his own deposition taken by Defendants as well as the depositions taken of other Defendant witnesses.

Plaintiff Charles McGuire further incorporates all other individuals and entities included in other parties' Initial Disclosures, and reserves the right to add additional names. Plaintiff Charles McGuire also reserves the right to call any expert designated by any other party.

In addition to the above experts, Plaintiff Charles McGuire reserves the right to elicit expert opinions from any person appearing in the records and/or documents produced in this case, even if not specifically named above, who are shown to be qualified to testify to their area of expertise.

Respectfully submitted,

McGEHEE ★ CHANG
